

REFERENCE LETTER

To whom it may concern,

We have been using ep & partners consultancy ltd. (EPPC) staff leasing services since April 2016. I am very confident to say that we have found in EPPC a very reliable partner, who never failed to deliver. They have vast knowledge of labor code and taxation legislation, which combined with their international experience, puts them in the position of offering excellent staff leasing services. EPPC is a very flexible company which was fast in responding to our various and changing needs regarding our labor contracts, payroll calculation, pay slips, paying employees with full compliance with regard to the taxation and labor code laws and always on time. EPPC is a getting things done company and their dedication, commitment and professionalism can be rarely found in big companies in large markets. They will be an invaluable asset to every company needing staff leasing services in Albania.

Sincerely,

Jorida FECI
